

FINAL CLOSE-OUT SALE!

This is your opportunity to own an **AUTHORIZED** reproduction of the **315th Bomb Wing's** official history book, "*A New Chapter In Air Power*" (Second Edition). Available in TWO FORMATS: A 352-page full reproduction of the original book or a digital version of the same book (in PDF format) on a CD.

A limited number of these items remain and are available on a first-come, first-served basis at **REDUCED, FINAL CLEARANCE PRICES!**

The book was compiled, written, and edited by the men who actually served in the 315th Bombardment Wing and was printed in 1986. As the years passed, many people expressed a desire to own a copy, so in 2013 the book was re-created and printed. Also available is a compact disk (CD) that contains the same information as the book (in PDF format). Not available in any book stores or on Amazon.

Every page of this soft-cover book (size 8½ x 11") is a digitally enhanced reproduction of the original. Crew and photo updates included, when possible.
2013 price: \$70 each
Close out price: \$35 each, includes shipping.

CD is perfect for people who prefer to view pages (PDF format) on a screen. Contents are identical to the book.
